Backing: A 72" x 70" piece of fabric V.

Binding: 1/2 yd fabric Y. Cut (7) 2-1/4" x wof strips and sew together end-to-end.

Sewing

1. Sew the vertical columns of chevron pieces together following the placement of fabrics using the letters on the quilt diagram as a guide. Sew the chevrons on the left side of each column together, then the chevrons on the right side, sewing the triangles in place at the top and bottom to square off each side of the column. Sew the right and left sides of the column together to finish. Sew 4 columns, following the diagram for placement of fabrics in each column.

2. Using the 3 fabric X sashing strips, and the 4 columns of chevron strips alternate the columns and sashings and sew them together to make the center area of the quilt.

3. Sew the fabric Y vertical borders to opposite sides of the quilt, and the horizontal borders to the top and bottom of the quilt.

4. Sew the fabric X vertical borders to opposite sides of the quilt and the horizontal borders to the top and bottom of the quilt.

5. Sew the fabric S vertical borders to opposite sides of the quilt and the horizontal borders to the top and bottom of the quilt.

Finishing

6. Layer the quilt top, batting and backing. Baste, then quilt the layers together.

7. Sew the binding strips together end to end, fold over lengthwise and sew to quilt top. Turn binding to back of quilt and stitch in place.
