## Sewing

1. Following the diagram, appliqué the flowers and vase to the center fabric K rectangle using your favorite appliqué method. Trim rectangle to 11-1/2" x 23-1/2".

2. Sew the fabric E 12-1/2" strips to opposite sides of the center appliqué rectangle, then the fabric E 1" strips to the top and bottom of the center rectangle.

3. Sew (4) corner blocks starting with the center square A and an F triangle sewn to each side.

Sew the block border strips in order starting with the left side, the bottom, the right side and then the top. Sew each block border strip to the designated side of the block as you finish it.

4. Sew (6) side blocks starting with the center square C and adding an H triangle to each side. Sew the right and left side borders and sew to opposite sides of the center then sew the top and bottom border and sew to the remaining two sides of the block.

5. Using four of the side blocks join together in (2) sets of two with the fabric G triangles joining in the center and the fabric K triangles on outside edges. Sew the sets to opposite sides of the center appliqué rectangle.

6. Sew a corner block to opposite sides of a remaining side block for 3 blocks in the row. Position the corner blocks so the fabric G triangles are joined together and the fabric K squares are on the outside corners. Make 2 rows. Sew these rows to the top and bottom of the quilt center. Follow the color photograph of the quilt for correct position of the corner blocks in each row.

7. Sew a 48-1/2" long fabric E strip to each side of the iris motif fabric B borders, Make 2. Sew these borders to opposite sides of the quilt center.

8. Sew a 4-1/2" fabric E strip to each short end of the scroll stripe fabric B strips. Then sew a 48-1/2" strip to the long sides of the fabric B borders. Sew the borders to the top and bottom of the quilt center.

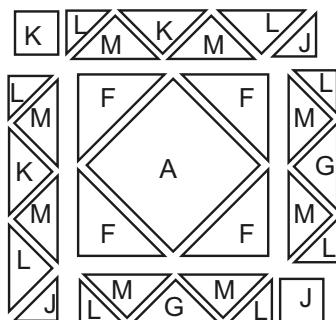

9. Center and sew the 76" fabric D borders to opposite sides of the quilt with an equal amount of border fabric overlapping at

each end. Center and sew the 60" fabric D borders to the top and bottom of the quilt with equal amounts of border overlapping at each end. Miter the corners and trim away excess fabric.
